Commissioner for Patents
Washington, D.C. 20231**SECOND DECLARATION OF JOHN A. NIX, JR.**

I, John A. Nix, Jr. declare as follows:

1. I hereby incorporate by reference the statements made in my declaration of January 30, 2000 (Declaration of John A. Nix, Jr.).
2. I have personal knowledge of the following facts, and if called to testify, I would and could testify competently to the matters set forth herein.
3. On or about October 12, 2001, I contacted Brian C. Wiles ("Mr. Wiles") to inform him of the filing of the 09/872,904 patent application (also referred to as "Case No. 00-581" in the offices of McDonnell Boehnen Hulbert & Berghoff) and to ask for his facsimile number. A printout of an email communication I sent to Mr. Wiles providing evidence of this contact is attached as Exhibit 1.
4. I sent the following items pertaining to U.S. Application No. 09/872,904 to Mr. Wiles on or about October 12-15, 2001 by facsimile: (1) a combined Declaration and Power of Attorney; and (2) a Joint Assignment. Copies of these documents

- that have been executed by the remaining inventors were attached to my previously submitted declaration of January 30, 2000 as Exhibits A and B.
5. On or about October 16, 2001, I contacted Mr. Wiles to inform him I would be sending him an electronic copy of the final version of the 09/872,904 patent application. Attached as Exhibit 2 is a printout of an email communication providing evidence of this contact.
 6. On or about October 17, 2001, I sent an electronic copy of the final version of the 09/872,904 patent application to Mr. Wiles. Attached as Exhibit 3 is a printout of an email communication providing evidence of this transmission.
 7. In a telephone conference I had with Mr. Wiles on or about October 17, 2001, Mr. Wiles acknowledged receipt of the following items relating to U.S. Application No. 09/872,904: (1) the electronic copy of the final version of the patent application; (2) the combined Declaration and Power of Attorney; and (2) a Joint Assignment. Mr. Wiles also stated that he would not sign any documents relating to U.S. Application No. 09/872,904 unless Go2Call.com, Inc. and StreamComm Corporation would have equal rights in U.S. Application No. 09/872,904 and any subsequently issued patents. A copy of a Patent Ownership Agreement proposed by Mr. Wiles evidencing this statement is attached as Exhibit 4.
 8. As an officer of Go2Call.com, Inc., I declined Mr. Wiles proposal, thereby effecting Mr. Wiles' refusal to sign the patent documentation for U.S. Application No. 09/872,904.

I declare under penalty of perjury that the foregoing is true and correct, and that this declaration was executed on the 9th day of July 2002 in Evanston, Illinois.
